

KEYS TO DENVER, INC.

Brokerage Staff

Nancy A. Nelson, Managing Broker/Owner

Nancy has been licensed in Colorado since 1985. Prior to entering Real Estate Sales she worked as a Meeting Planner, Administrator in a Maryland County Health Department, Crisis Counselor, and a Harvard University Department Secretary. She graduated from Wellesley College in 1969 with a B.A. in History. Nancy is your single point of contact and the Broker who will represent you as your agent. She actively directs the valuation and marketing of all REO assets entrusted to Keys to Denver. Nancy has been a member of the National REO Broker Association since January 2001.

James M. Krasno, Broker Associate

Prior to earning his license Jim spent 33 years as a commercial airline pilot. Before that he flew helicopters for the US Army. He graduated from the University of Colorado, Colorado Springs in 1985 with a degree in Computer Science. He's a whiz at using computers while problem solving and can usually be found with his nose in his computer or palm blackberry ...he's the king of electronics around here! He is currently a Director of the United Retired Pilot Benefit Protection Association which he helped organize in response to the airline's bankruptcy. Jim is the technical guru behind Nancy and Keys to Denver. His Realtor career started in 2003 with a head start because he has been married to Nancy since 1987 absorbing considerable real estate experience by osmosis. He is now an experienced REO broker working in the field since 2003. He represents buyers as a Transaction Broker on REO properties. He handles inspections maintenance and repairs on our properties.

Frank McCurdy, Broker Associate

Frank has experienced a number of successful careers. First and foremost, a 32 year career as a United Airlines Captain flying Boeing B777 and B747 aircraft worldwide. Frank is also a US Air Force fighter pilot and a retired Lt. Col., USAFR. During the 1980's, Frank tried his hand at politics and served 5 ½ years as a Douglas County Commissioner. For the record, the county is often noted as the fastest growing county in the U.S. As one of the seven county commissioners that created the E-470 Public Highway Authority and the founding Chairman at the Douglas County/Denver Southeast Economic Development Council, there was never a dull moment.

Taking on challenges has always been a common occurrence and today is no different. As Commander of American Legion Post #1, Denver, CO with 1,400 members and as Director and Program Chairman of the Denver St. Patrick's Day Parade Committee, Frank is still serving the community. Frank has now turned his attention to real estate.

As a licensed broker for 25 years, coupled with the wealth of experience in zoning, planning, and the normal problems associated within communities, Frank brings a unique set of skills to any real estate transaction. A successful real estate transaction is sometimes the result of luck, but generally the result of hard work, knowledge, and a sincere concern to fulfill the needs of the customers. Shouldn't you select a person with a record of success to handle your real estate needs?
